

International

Investor Guide

MB Capital is a private equity fund looking to invest in the Mid-West region. MB Capital's headquarter is located in Sherbrooke, Quebec, Canada. The company has a market capitalization of approximately 25 million dollars and has invested in more than 10 businesses. MB Capital plans to actively invest in the region in the coming years. With the addition of Mathieu Beaudoin to the company, the fund is looking to expand their territory into the Mid-West region to start a regional fund.

MATHIEU BEAUDOIN

General Partner

Mathieu is a graduate of the Ohio State Fisher College of Business, class of 2007. After playing professional hockey for 7 years, Mathieu is now leading the expansion into the United States for the company. He and his family have lived in Ohio for the past 10 years and he is now looking to find investment opportunities in the surrounding area.

MARIO BEAUDOIN

President of MB Capital

Mario was one of the original founders of Gestion Estrie Capital Inc. (later rename MB Capital) in the 1980's. As president he sits on the board of all of the companies that GEC has invested in over the last 25 years. He has more than 30 years experience in private equity and venture capital.
